President's Report – Lloyd Mills

Firstly, welcome to all members and sponsors who are reading this Annual Report. I could start as had been stated in previous years as these are unprecedented times, but I think people are a bit over the term.

We were advised that we were to move into the newly completed Concord Oval firstly in February then April then June and then guaranteed to move in for our last game being the 6th of August 2022 – unfortunately this did not eventuate due to a number of factors. However, there is light at the end of the tunnel as we are in the last throes of signing the updated Deed of Variation Agreement and anticipate being able to take possession of our area at Concord Oval within the next fortnight.

For all the hard work over the last 3 years I would like to gratefully thank Life Member and Past President Bob Ellis who has been negotiating and liaising with Canada Bay Council on our behalf, and Director Steve Jurd, and Life Member Ben Hall who followed through on all our requirements with Council and builders. Without these 3 gents, and Director Rory Sidey assisting with the legal requirements, we would not be in the position to move in. We will end up with the best playing surface and facilities, which will make us the envy of every Shute Shield Club in the competition.

Not having our own home ground and the wet weather impacted on our revenue for the year but with fiscal control from our Treasurer Mick Gray we managed to turn a surplus of \$61,183 for the year and have managed to repay monies owed from the previous year.

On the playing front we had Joe Barakat come back to the Club. First grade was very competitive as were shown by the results in the last 6 rounds, unfortunately a bit late in the season to vie for semis but I'm sure Joe will expand more fully in his report. Joe has decided to retire after the 2022 season to put his feet up and concentrate on his golf and we wish him all the best in his retirement. We thank him for the foundations he has put in place for our newly appointed full time Club Coach Cameron Treloar. Joe has advised he will assist our new coach when required, by acting as a mentor and sounding board to Cam when needed. The Club appointed Cam after an extensive interview process and interviewed a number of high-quality applicants, and we look forward to seeing the results improve on the field in 2023.

Our depth throughout the Grades was tested and is something we are working on to strengthen in 2023. Colts' results were very pleasing coming from having one team in 2021 to having 3 teams, with reserves in 2022, and 1st Grade Colts making the semis. Coach Josh Bray and Director Geoff Threlfo should be recognised and congratulated for putting the Colts program together. Josh will evaluate Colts results fully in his report and will be looking forward to more progress in 2023. We can only achieve success from growing our Local Juniors and Colts and making West Harbour the Club of choice for those players moving through to Grade.

You may be aware there was moves by some Clubs for us to merge with Penrith and Parramatta, but we withstood that move and achieved fielding 4 Grade and 3 Colts sides as per the SRU's Participation Agreement and are most proud of not forfeiting a game, whereas 2 Clubs did.

I would like to mention our Women's program separately and our Director of Women's Rugby Charmain Steventon, who started the year with no Women's team, and ended up competing in 7's and 10's tournaments. In 2023 we will be competing in 7's, 10's and fielding a team in the 15's Jack Scott Cup. Charmain has brought together an experienced Women Coaching and Management team and sourced Sponsorship from De Lorenzo for 2023. We are looking forward to what the Women's teams can achieve in 2023.

At the beginning of the year, we were required by the SRU Participation Agreement to have a full time General Manager, and after a wide ranging and extensive interview process, we appointed Dave Lyme to the position. Dave, an Australian, had been living in the US for the past 18 years where he ran a number of businesses and was heavily involved in Rugby development and coaching in the US, luckily, he was moving back to Australia. Dave has put in a tremendous amount of time since he started in February in building up relationships with NSW and Sydney Rugby Union and other Shute Shield Clubs' GM's and has also built relationships with Canada Bay Council, our neighbour West Tigers and our current sponsors. Being located at Burwood RSL's premises he has built up a good working relationship with their management team which was slightly fractured. Dave has put in time rewriting processes and procedures and liaised with all areas of our

coaching and management team. From a logistical perspective moving back to Concord Oval will make the game-day experience for our coaches, players, volunteers, members, sponsors, guests and public, a much better experience and hopefully increase our revenue.

We are also working hard to re-engage our old boys' 'Legends' network which is being coordinated through our Director, Grant Fenn, who will organise a number of functions for the 2023 season. We will shortly distribute a season calendar to lock in dates for 2023 including West Harbour Luncheon and Back to Wests Day on the same weekend.

I would also like to acknowledge Life Member and past President Geoff Harper who was West Harbour's Representative at the SRU and was instrumental in organising the highly successful West Harbour Luncheon.

Our sponsorship level and base increased in 2022 due to the hard work of many, led by Sponsorship Director and Chairman Matt Games, who is engaging with current and prospective sponsors for 2023 is ongoing and encouraging. Please see below our list of sponsors for 2022

- Club Burwood RSL
- Bendigo Bank
- Akasha
- Fluid Communication
- Suttons Homebush
- Micam Group
- Gledhill Construction
- Findex
- Suttons Ford Homebush
- Harmers Workplace Lawyers
- Cooks Plumbing
- Local Pool Heating
- LPSA Co.
- Community Sponsors

I would like to personally thank our Board, who worked tirelessly behind the scenes ensuring we are financial and successful into the future, with full time careers, and time spent which impacted on their family time, and with very little recognition.

I would also like to recognise our Coaches, Managers and all volunteers that give up their time voluntarily to ensure that we operate successfully as a Club, we would not survive without your help. I believe we have the best quality of people at our Club and tremendous role models for our players to follow.

I would like to acknowledge previous Presidents Tom Andrews and John Meagher and their respective Boards over the last couple of turbulent

years and it is a credit to them that we are in the position we are now

It would be remiss of me not to mention Club Legend Vince Gee. who has not been sighted very much this year on the field due to major body repairs, but has been doing plenty of work in the background and we hope to see Vince out and about in the new season.

During the year we lost 2 Club stalwarts in Life Member Paul (Jake) Wylde and Club Historian Harry Kimble we pass on our condolences to both families and acknowledge all the work these two gents did over many years for Western Suburbs and West Harbour.

Our Major sponsor Club Burwood Group is acknowledged for a special thanks and have sponsored West Harbour for over 20 years and have assisted this year with our development program. To CEO Andrew Anderson and President Graham Green and the Board of Club Burwood RSL, we certainly appreciate your continued support.

The new updated Concord Oval would not have been possible without funding from Canada Bay Council, NSW Government, Commonwealth Government and West Tigers for which we are very grateful.

The future of West Harbour Rugby Club, I believe is bright and a number of foundations blocks are in place: -

- A strong and diverse Board;
- We are financial;
- We have strong sponsorship support;
- We have a brand-new facility in Concord Oval and areas to make the game day experience special;
- A new Gym and equipment surpassing all Shute Shield Clubs;
- A fulltime Club Coach;
- A fulltime General Manager.

Have we got everything right as yet, NO - room for improvement, YES – but we are heading in the right direction. It is up to us as a Board, Players, Coaches, Volunteers, and all Members. We need and appreciate your continued support so that we continue to grow and not take our eye off the ball, to be the Club of choice and the Premier Rugby Club of Australia. We must embrace the 2023 season as a new beginning.

Lloyd Mills
President WHRFC

Treasurer's Report – Michael Gray

This year has certainly been an interesting one having returned to an active role with the Club after more than 17 years away. Having previously been a player, Coach, General Manager and Board member of the Club, I was amazed, as whilst many things had changed there were many things still the same. Many familiar faces were still volunteering and committing many hours of each week to keeping the Club going. My main reason for returning, as with Lloyd Mills, was our need to see the Club survive into the future. Living at Lake Macquarie meant that a lot of my work was done remotely however, I still managed to see half a dozen games and attend many of the Clubs functions.

The year has certainly been challenging but I am pleased that we have managed to strengthen relationships which has seen the Club post a surplus of \$61,183 The full financials are there for everyone to read however our increased profit` is mainly due to extra funding from Burwood RSL and increased sponsorship revenue procured by Matt Games, our Chairman and Sponsorship Director. The appointment of Dave Lyme as the clubs

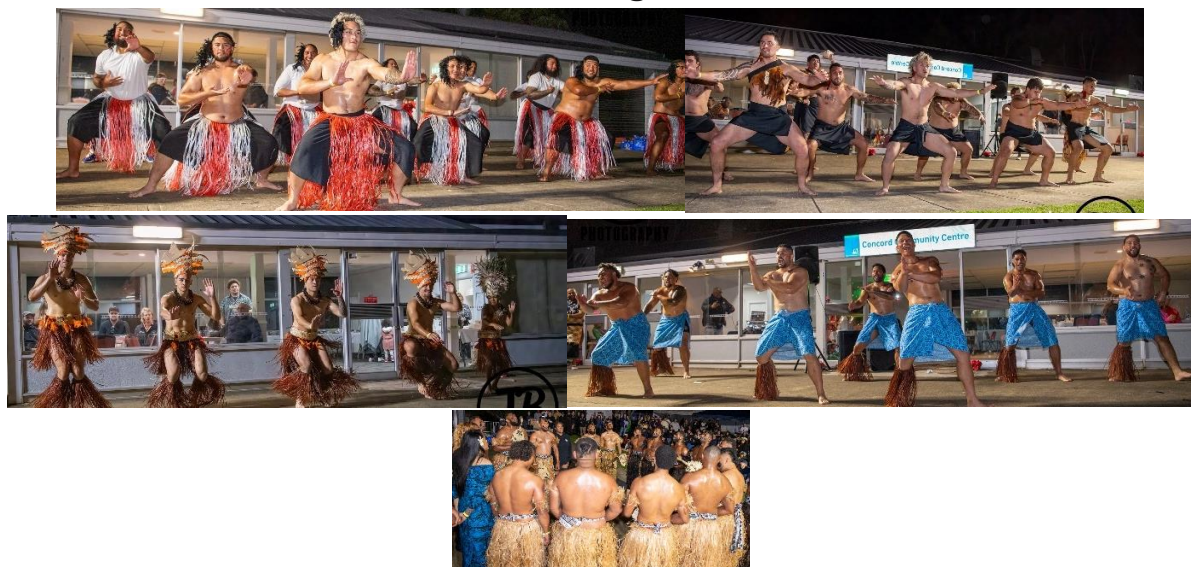

General Manager has greatly improved the administration of the Club and he should be thanked for his many extra hours of work. I would also like to thank my fellow Directors and our President Lloyd Mills for their hard work and commitment to the Club. The many unpaid hours of work they do should be recognised and acknowledged. I look forward to working with all of them to improve the Club further next season.

The Club is entering an exciting 2023 with the return to Concord Oval, a new Men's Head Coach, an invigorated Women's team and a strong Colts program which augurs well for a strong Club. The establishment of the old boys "West Legends" has seen us reconnect with ex-players and supporters from many past eras.

Thanks to everyone for welcoming me back to Concord and I look forward to building on the success of 2022.

Mick Gray
Treasurer

The West Harbour "Islander Night" – A CULTURAL FEAST

Director Rugby Report - Tom Games

Prior to the season starting we knew we had a lot of work to do to get the rugby program to a level where we were competing week in week out with the top clubs across Sydney. We also needed to find the players to fill another 3 teams to fulfill the conditions in the Sydney Rugby Union participation agreement. Whilst some of the results in grade were disappointing it is important to focus on the positives and build on them into the future. Rome wasn't built in a day and it is important as a Club we have a sustainable model, building from both the bottom up and top down.

In grade this year it was great to welcome back Joe Barakat to the coaching fold again. Joe has a strong history with West Harbour Rugby and did an exceptional job this season. Whilst Joe won't be involved as Head Coach in 2023, he will still be around at the Club in a mentoring capacity. I would like to thank Joe and it was great to work with him again.

In some of the lower grades it's fair to say we struggled with results however we fielded 4 teams, week in week out, and with a production line of Colts coming through next season the results will come. I would like to thank all the players and coaches who gave their all, week in week out and some of the old boys that helped to fill the lower grades, your support for the club is greatly appreciated.

Whilst First Grade finished at the lower end of the ladder, they showed a lot promise every game they were in and finished the season strongly, losing just 1 game in the last 6 with 4 wins and a draw.

They beat some of the top teams in Manly, Warringah and Randwick, who all played finals football. If we continue this success into next season, we will be put ourselves in a good position to play finals football.

The turnaround in performance for the colt's program was exceptional. Josh Bray had a huge job in front of him when he took the role and did an exceptional job. If we rewind to the season prior, we had 1 team who were being beaten heavily week in week out. Fast forward to the season just gone and to have 3 teams, (close to 4 at a push), 1st grade playing in the finals and 6 players selected in the NSW u19 and another 2 for the Australian Barbarians was a fantastic achievement. This Club will continue to invest in our Colts and Junior Development Programs to ensure the Club is successful for many years to come.

Lastly, I would like to thank all the Coaches, Managers, and Volunteers. Your efforts throughout the season are greatly appreciated and you go above and beyond to ensure this great Club succeeds. Make no mistake West Harbour Rugby Club is a club that is on the up. We will have the best facilities in the Shute Shield at Concord Oval, and I look forward to what the future holds.

Up the Pirates.

Tom Games

Director Women's Rugby Report - Charmain Steventon

12 months ago, it seemed a slim chance to assemble a women's program at West Harbour and showcase the impact of women's rugby and the power of the game. Women's Rugby is on track to become a powerhouse once again at West Harbour changing the lives of families with mothers and daughters playing - becoming role models and agents of positive change. We will continue to invest in the next generation of women rugby players and strive to implement quality programs that drive positive change within our community.

In Jan 2022 we started with 1 player! Fast forward 10 months:

- We have a squad of 28 women registered;
- We placed 5th in Sydney Women's Rugby 7s Competition;
- We came second in last Sydney Women's Rugby 10s tournament;
- We secured \$15k in minor sponsors - Suttons Homebush and Linkcon Projects;
- We received \$10,500 through our West Harbour Women's Foundation via <https://asf.org.au/projects/west-harbour-rugby-football-club/west-harbour-womens-foundation>
- Secured De Lorenzo as the Major Women's Sponsor from 2023 – 2025;
- Our u12s girls won the Sydney Junior Rugby 7s Competition;
- We are currently rolling out a Spring 12-week 7s girls' program with over 35 girls registered;
- Launching a Girls Only Rugby Clinic at the newly revamped Concord Oval in the New Year;
- On Friday September 9th we hosted our annual West Harbour Pirates Club Presentation Night at Club Burwood RSL – Best Back, Serenity Locketi and Best Forward, Kowhai Ruawhare. We awarded the inaugural Charmain Steventon Award to Vilisi Matanimeke;
- We are pleased to announce that Kowhai Ruawhare has re-signed for the 2023

season. An extraordinary player, she has been a solid leader and ball runner for the women's team so far this year. We look forward to seeing more of her in action in the Jack Scott Cup in 2023;

- Congratulations to our representative players from our women's programme. Sydney representatives: Kowhai Ruawhare & Victoria Hala'api'api'o Vava'u Cocker and International representative Serenity Locketi - Mahoni Tonga 15s; and
- We have had overwhelming expression of interest for 2023 with 25 women wanting to play in 2023.

We are thrilled to announce we secured the services of Michael Nicoletti (3rd Grade Men's Coach) and Cas Van Rythoven. They have agreed to join the Women's program for the 2023 season and beyond. The Club is extremely pleased to have a coach of Mick and Cas's calibre join our ranks. Their coaching resume is nothing short of impressive and over the years, they have filled numerous coaching roles. As the Head of Women's, Mick will work closely with myself. Mick brings a wealth of knowledge and experience to the club that will not only see our Women's Open's program take the big step back to the Jack Scott Cup, but also develop our Junior Girls Players and Coaches, which will have a positive impact on our Women's program moving forward. Leni Kaufusi will continue our Team Manager.

2023 will be an immense year, one where we can build upon the momentum we have created. After a 15-year absence, we are planning to enter in the 15's Sydney Women's Rugby Competition (Known as Jack Scott Cup) in 2023.

I can assure you that the next phase of the West Harbour Women's story will be an exciting one, nothing will be more thrilling than running out on Concord Oval – our home ground.

Charmain Steventon
Director Women's Rugby

The Women's teams in 2022 were drawn from these women who form the basis for growth into 2023 and entry into 15 aside Rugby (Editors Note: Statistics for Womens 15s players will recommence in 2023)

Amanai Fasalava, Anne Pati, Chelsea Pettman, Erana Reti, Gorgia Robinson, Grace Greenwood, Hana Laufale, Heather George, Isabelle Law, Jeannne Fa'amausili, Kowhai Ruawhare, Lupe Fatai, Mariah Fasavalu-Fa'amausili, Monica Fasavalu-Fa'amausili, Nesia Ben, Phoenix Lamese, Raukara Maika, Rayven-Jodeci Boyce, Rosemarie Beckett, Selina Takabobo, Tambua Kariko, Tiana Fasavalu-Fa'amausili, Vilisi Matanimeke, Vani Sorovi.

General Manager's Report - Dave Lyme

What a year 2022 has been. With the constant false starts getting back into Concord Oval, the awful weather and the fact that I just started prior to the first game it made for an interesting year.

Starting with Concord, that has been difficult. When you are at the mercy of others and not in control, things never go the way you wish. Everyone had the right intentions but with weather interruptions and other unforeseen issues arising it just kept being delayed.

In an \$85million project things can, and do, go wrong and delays are just part of the business. Although frustrating for us we should be moving in by mid November 2022. And are very excited about our new revamped home. Expect big things playing at this venue from 2023 onwards.

If you haven't seen or visited Concord Oval in a while, please reach out to me and I will be more than happy to show you around.

This past season was difficult due to weather. We had a number of games changed, moved, altered at the last minute, none more than colts who played a large number of games away due to our fields being closed and other problems, for that I apologize to them, they took it on the chin and got on with the season with very little complaint and I appreciate that very much. 1st Colts ended up making the playoffs which was a fantastic result.

Drummoyne was again our home for Grade in 2022, difficult field for viewing and only being able to hold 1st Grade and 2nd Grade on the main field with 3rd and 4th Grade on Taplin made for what felt like a split day. While we had good gate numbers against University and the Randwick night game, gate numbers for most other home games were low for the two 1st & 2nd Grade games and at St Luke's North there was no gate, canteen or beer sales due to last minute venue changes with weather.

On a positive note, the Game Day was a success this season, we turned a profit every game, although under budget - every game was a profit. We had mini games during half time in 1st Grade and will use that more for the 2023 season.

From social media, security, canteen, VIP Functions, room hire, corporate events, we managed to create a profit.

I would like to thank all the people/volunteers who helped manage Game Days

- Early morning set up
- Friday morning Canteen set up
- Security
- Canteen ladies
- VIP Room hostess
- End of day dismantle
- Team Managers
- Training logistics

We could not do this without our volunteers, so thank you to you all for everything you have done and do, without you this Club cannot function. A special mention goes out to the canteen ladies who run a great game day canteen and we couldn't do it without them, also another mention goes to Ben Huckstepp who is a huge help leading up to and on game day, thank you.

So many more people involved in game day, without the managers the teams would not take the field, they put in a huge amount of work all week to make sure we have a professionally run club with as many things as possible covered for the players to make it easier for them.

I have been amazed at what the volunteers do for the club, it is truly inspirational to watch them and feel the love they have for this Club.

Please see just a few of our important volunteers we cannot do without: Dr Jeremy Keh, Stephen James, Dianne Debreczeni, Sina Strickland, Greg Longworth, Jeremy Brennan, Ross Hansen, Peter Johnston, Mark Docking, Jody Crosby, Tongan Tracey, Lisa Cochrane, Mary Tafengatoto, Donna Edmonds, Sue Ellem, Janelle Clark, Michelle Bretherick, Jules Sorrell, Cathy Younger, Bella Manning and Aisha Bower.

Over the season we had a number of events, none better than the Annual Luncheon held in the Dome at Club Burwood RSL. This was a great day, sold out at 250 people who truly enjoyed themselves. We had Laurie Daly, Tim Sheens, Angus Bell and Charmain Steventon as the Guest Speakers and that was very interesting and enjoyed by all.

Another event held during the year was Islander Night, that was spectacular, what an event. Personally, I have never experienced anything like it and was amazed and moved by the involvement from the players of the Club who put this together. The level of professionalism was huge and I must say I'm looking forward to the next one.

I would like to thank our sponsors for all their support this past season, we cannot put all this together without them and value them tremendously.

In Summary, I have enjoyed every minute being the General Manager for West Harbour Rugby this year, the people are wonderful, helpful and committed to building a great solid professional club and that makes me want to be a part of that

going forward, we have so much to do, I have so much to get better in 2023 and I cannot wait, with everyone else, to make a difference next season and build on what we have to make season 2023 the best yet both on and off the field especially back at Concord.

1st XV Season Report – Joe Barakat

A new Coach, a different Shape in our attack and a new Philosophy in Defence, things were not necessarily going to gel straight away. I even indicated early on with this group that our early results were going to be a little volatile and yes - they were.

Coming into this team, there were two areas that were recognised as our weakness from the previous year. They were our Defence and Lineouts. So not only were we changing our attack shape, we were also asking and expecting more from one another, when we did not have the ball.

Our Lineout in 2021 was ranked in the bottom 3 in the competition, this needed an overhaul, plus we also lost 2 of our Locks from 2021 as well. Our focus was to work on our Individual Skill and make sure our Lineout Calling was simple, so Tempo would be crucial for us winning our ball. Nearly 40% of all tries scored, have their origin from the Lineout, so winning our ball and disrupting the delivery of our opponents' ball was going to be high on our Agenda.

Making no excuses, there was a lot that needed to be done before we could get the consistency in our results. Along with this we were bleeding new Locks and experimenting with our number 10.

We were competitive in all games bar one in the first 10 rounds. We won 2 of these games and lost another 7 in the last 10 minutes. Again, we had volatility in our results, but it was clear that we needed to work more on our conditioning and even more on reducing our errors and keeping the "Guy in the middle", controlling the game, on side.

We were very competitive but were ending up on the wrong side of the ledger. Damien Fleming and Prez Tufuga were exceptional in our Lineouts, attack and defence. Carlo Tizzano was also creating havoc with our opponents and was leading from the front. We were lucky to get Kali Nacina back to fill the void when Carlo left us to go overseas. Kali was exceptional.

The Lineout was no longer a weakness for us. Our backs were starting to gel and the team was getting used to our new shape in attack and only got so

much better when we finally recruited Greg Hutley and welcomed back Jack Debreczeni. We finally had 2 excellent 10s. All this did was highlight the impact both our centres began to have on the competition. Chris Ebling and Kuki Ma'afu, were the best 12 and 13 in the Competition. Their attack and defence were feared by all of our opponents.

Around Round 12, we also had Paddy McBryde join the Pirate Gang. A Lock from Wales, he was the final piece of the puzzle needed and who also helped to mentor Cam Signorini and Tui Moana. He was tough in the tight and was what the doctor ordered. Our fortunes began to change. We also had Cameron Orr join us for the last 6 rounds of which we won 4 and drew 1. Our scrum was solid throughout the competition. Utilising Cam Betham, Navi Bolatagici and Sonny Satuala early in the season and then settling with Tangi Mafi, Siketi Tavao, Raukawa Neems and Cameron Orr. Our scrum was rarely challenged

We, as a team, had finally come through the Volatility and we were settling into our attack shape giving good service to our outside backs in Jiale Dawai, Justin Marsters and Kodie Hawkins, showing we could mix it with the best in the competition and win. We finished the Shute Shield with a comprehensive win over Warringah who were running 4th at the time. This is what this group was capable of doing. A big thank you to those 2nd Grade players who played any time in 1st Grade and continued to help build our momentum.

I would like to thank my assistants who worked well together in trying to continually get the boys ready. Stephen James, Mark Gudmunson, Campese Ma'afu and Lachy White - thank you so much for your involvement. To Greg Longworth, Manager of 1st Grade, thank you for all your hard work. Clint Hill, our S and C coach, thanks for all you did and the extras that you would always take on. Finally, I thank the Board for all their support, which allowed us to be able to finish the way we did.

I wish all Players, Coaches and Managers all the best for the 2023 season. Although I will not be around as much, I will still be around

Joe Barakat

2nd XV Season Report - Dave Treweek

The year of the mighty 2nd Grade was rough at times but mostly smooth sailing.

Captained by Graeme Kolomalau, who during the season played in multiple backline positions, the team managed 5 wins for the season, beating Hunter, Rats, Souths and Gordon twice.

It should be pointed out that in the majority of games, the team was very competitive, the difference between winning and losing generally due to decision making, not effort.

After very some competitive losses, Souths was our first scalp of the year, the lads where fizzing for the win and they sang the team song with a lot of passion, led by the always reliable Peter Johnston.

The win over Southern started a trend in 2nd grade, who had finally found their identity and then won two of the following three games. This momentum attracted the attention of the 1st grade coaches resulting in many guys then getting the opportunity to play 1st grade in the remainder of the season.

This was led by the powerful tight five of Siketi, Nemo, Tangi, Pete, Siggers and very dynamic back row comprising Luke, Jamie and Willo who helped dominate opposition team through bulldozing scrums and with Jamie and Siggers soaring higher than the Sydney Harbour Bridge at lineout time!!

The back line was for ever changing with the lads always having to adapt to new combination every week due to injury or movement to other teams.

Three tough weeks followed with losses to Eastwood, Norths and Randwick, but the lads didn't give in and kept turning up for training. Some wrong bounces of the ball and some key moments or refereeing blunders really cost us at times.

When Jack Debreczeni arrived from Japan straight into 2s, suddenly we had a competitive backline and performed accordingly, beating the Rats, at their home fortress, 16-7 through some massive defensive efforts and by dominating set-piece in particular.

Fast forward two weeks and after a massive effort that left no petrol in the tank, 2nds beat a

competitive Gordon team, who after a 1st round loss to us, were seeking revenge at their home ground. Once again, our set piece, particularly our scrum, totally dominated the Gordon pack and provided the backline with a great platform to launch off.

Our scrummaging was so dominant that Gordon used their 1st grade bench reserves, to try and balance the contest but to no avail and the team won a really good contest away from home 31-29. Jock described the scrum drives as "we drove them 20— 30 metres at a time, the Gordon scrum was on skates and the engine room of the Pirate Ship was primmed and firing". It is at this point we need to recognise and appreciate the superb scrum coaching by Campese Ma'afu.

That would be the last win of the year but in the coming weeks the lads were always competitive and in-the-fight, but the scores didn't necessarily reflect the efforts and commitment of our players. All opposition players realised that a contest against West Harbour teams is combative and full of attrition due to the physicality of the contest; there is no doubt that opposition teams experienced those effects on a Monday after playing the West Harbour Second Grade lads this year, from massive scrums (example, Manly went uncontested scrums and after being annihilated in the first half, with the 2nd half being played like a game of touch football) to rolling mauls, to sky scarping lineouts, cute little kicks and the great running agility from the backs.

The mighty 2nd grade should hold their collective heads high!

Special thanks to all those that assisted 2nds throughout the year and a special thanks to Stephen James, whose tireless energy and commitment to everything WEST HARBOUR frequently goes unrecognised. Stephen's ball handling skills sessions were extraordinary and certainly raised the players abilities.

To Joe Barakat, thanks for putting-in the hard yards trying to turn the West Harbour ship in the right direction; a good start Joe.

3rd XV Season Report - Michael Nicoletti - Chris Siale

The 2022 season for 3rd Grade will go down in history as a tough one. The journey starting with a long preseason with our squad working hard to push for positions in the upper teams. Having such a talented West Harbour squad, players continued to move up and down in teams with a range of different combinations each week, making selection headaches for the coaches.

The season started with much potential, with 3rds looking at improving not only skill sets, but building character and changing to a winning attitude. A strong start saw a close loss to Manly in round 2 17-26. A dominate force in the forwards saw the scrums and lineouts trash the opposition across the park, with only some poor decision making in defence allowing a couple easy tries the difference in the game. Round 4 would see the mighty 3rds only win for the season. A 22-14 against Southern Districts, had the team's brutal attack with both forwards and backs hitting hard and some excellent ball work out wide, running through the weakened defence. Round 7 had us on the road to T.G. Milner against Eastwood. Again, a narrow loss 10-24 saw the 3rds in the mix for the most of the game, with our physicality and defence stopping Eastwood in their tracks. Some late length of the field tries out wide unfortunately took the win away from West Harbour, with many positives coming from the wet weather game.

With continued selection headaches, and over 50 players moving in and out of the 3rds squad, training had become disruptive with the mid-season blues setting in for the 3rds. Our results were poor, unable to defend the onslaught of continued fluent

attacking teams. A few hefty loses finally showing that a change of attitude by the players was required in order to improve. With a reality check, the players started to improve their one-percenters, at training and on game days. With a number of phone calls over a few weeks by the coaches, supporting players and encouraging regular training, the 3rds second half of season had a number of changes made. Training intensity was picked up, commitment from the playing group improved and being on time to both training and games was significantly changed for the better.

Our last few games of the season had the 3rds playing dominate first halves in each game. The coaches from Warringah, Sydney Uni, Two Blues, and Randwick approached the 3rds coaches to discuss how impressively the squad had changed, with the last 20 minutes of each game our major failure allowing in numerous tries to allow blow outs of the score. The growth displayed by the playing group and continual developments made in 2022 was excellent, looking bright next season for West Harbour, with most players keen to return to build the 3rds for 2023.

We'd like to thank our amazing manager Jody Crosby and our 4th Grade Coaches Matthew Crosby and Tom Honeysett for the weekly support of the team and playing squad. John Picone, Joe Barakat, Stephen James and Mark Gudmunson for the game day support and reflective feedback each week. And big thank you to the army of West Harbour volunteers and staff, that allow the club to operate including: Dave Lyme, Lloyd Mills, the Club Board and Di Debreczeni, to just name a few.

In 2023 we finally move back home to Concord Oval

The only things unchanged are the goal posts

Fourth Grade Report - Jock Stanley - Michael Nicoletti

This year can be perfectly summed up in one word...**tough**. We had tough losses, putting together a consistent team was tough, but most importantly and in true Pirate fashion, we played tough.

It's been a few years since we, as a Club, have been able to field four grade teams and for someone who has come back to the club after many years, it was heart-warming to see the deep love people have for this Club. Week in and week out, we had players come from everywhere to make sure that we had a team. Most of our players in 4th grade had come out of retirement just to help the Club out.

Over 18 games with 1 BYE, Fourth Grade had used 104 players, had 16 colts gain a grade cap, had scored 23 tries, converted 13 goals and only conceded 6 yellow cards...not including 1 red that was later dismissed....but we don't talk about that.

On two occasions this season, despite the many sore bodies, we managed to play 3 games in a 7 day turn-around. One of those occasions, we did a quick calculation and found that the average age of the team was 34, with that average being reduced by two young recruits that were 18 and 20.

Continuing on, fourth grade were able to assist in some notable playing career milestones and special occasions:

- Wesley Talanoa gaining his 150-grade cap,
- Paul High gaining his 100-grade cap,
- A family combo of Darren Strickland (Father), Isaac Strickland (Son) and John Mataele (Brother-in-law/Uncle) shared minutes together in our second round against 2 Blues,

- A coach combo of Jock Stanley (2nd Forwards Coach) and Michael Nicoletti (3rd Forwards Coach) putting on the boots to gain some minutes,
- The post-game celebration of Tom (Gamesy) Games doing his best John Eales impersonation and slotting a conversion from the sideline, and
- The gritty final performance of the season against Warringah saw our best result and turnaround of the year finishing in a 7 all draw, when in round 10 we had lost 54-14.

It wasn't a year that provided results on the scoreboard, it was a year the Pirates needed with the old bodies being put through the hurt, so the likes of the young players (colts) coming through had an opportunity to gain a taste of what is to come.

I'd like to thank all those players that put in blood, sweat and tears to the season. Your efforts, commitment and time was appreciated. I hope I get to see you all back next year, whether it be on the field or on the sidelines.

A huge thankyou from the players and myself to the 4's coaching and management group. Matt Crosby, Di Debreczeni, Tom Games, Ben Huckstepp, Paul High and Shaun Treweek. Your time over the season, and love for the Club is unmeasurable. You truly are the core of the fighting 4s and made it possible to compete this season. The late Friday nights making calls to round up players to ensure we had a team on an early Saturday morning or late Tuesday night have been missed. You definitely made this season enjoyable and I cannot wait to work alongside you all again in 2023

RIP Kelly Meafua 1990-2022

May 2022 The rugby world mourned the tragic death Kelly Meafua in France where he was playing for Montauban. A Pirate between 2014 and 2018. Kelly was renowned for his hard-hitting abrasive play and was winner of the Shield Shield rookie of the year. He spent time at the Waratahs before forging a successful career in France. The 188cm forward was runner-up in 2018 for the prodigious Ken Catchpole Medal after starring for the Pirates in Sydney's premier club rugby competition. Kelly Meafua also featured for Samoa in sevens.

Colts Report – Joshua Bray

Pre Season: Upon appointment for the 2022 Colts Head coach role at West Harbour, I knew most of the first year would be recruitment. I assembled the recruitment team that consisted of Ben Huckstepp, Peter Johnston, Kodie Hawkins and myself. We reached out to a total of 387 players, local international and interstate. We had a success rate of around 20%, a tough and gruelling process, but slowly we have our small wins come into play bit by bit. A proud and influential part of our pre-season was our Camp. We travelled to the Entrance on Saturday morning and completed a full day's training and an opposing game. After the match, we had a Kava Ceremony with over 50 colts by the beach. We saw friendships made and bonds made that would flow into our Season.

Trial matches: We set standards and expectations on the playing group that 1st Grade Colts and 2nds had to run on 3s Colts for kick-off! This was returned when all Colts players would sit on the bench or behind and cheer on 1st Colts.

Early Rounds: We came into the early rounds humming, ready to change the perspective on WHRC. Our theme of the Season was Redemption year. This was felt by the whole playing squad as we had players still with us from the previous years who suffered what some might say humiliating defeats. This was our "Why" and a driving motivator to earn back respect. Parramatta was a battle of the unknown. We walked away with our heads held high, travelling to Parramatta as a new side walking away with three wins. Travelling to Manly in round two was always a tough battle. Our scrum across all teams saw us in the fight to the very end. Our 1st Colts gave the finalists of the 2022 Grand final a rude shock, only losing by three points with the game being questionably called early. Third round against the giants of Sydney Uni. Our 2s Colts beat Sydney Uni and looked the far better team on the day. Our 1s Colts demolished the Sydney Uni pack and were on the hunt. We went down 22-33. If we had converted all our conversions, we would have been victorious onto the next V Southern Districts away. In an almost eerie environment with Souths players rocking up casually, the Wests Family arrived in a near parade-like manner. 3s and 2s won convincingly, with our 1s also winning with an unbelievable bench of 3s and 2s players singing and dancing as they watched their brothers put on a show. A memorable day.

Mid Season: Unfortunately, injuries set in and depth became significant. We were also no longer surprised that we were coming to fight week in and

week out. A win against Eastwood away in the 2s Colts and 1sts Colts was a memorable day. Losing by four points to Warringah away, then the next week to Easts away by four again were hard losses to take against these top 4 teams. Our 3s lost a narrow match against Northern Suburbs whilst our 2s, and 1s Colts took the win at St Luke's in an unconvincing manner that made us hungry to see them later in the rounds, where we outstandingly clean-swept Norths.

Later Season: Followed by tough match-ups, we built into Randwick, a match many of our boys highlighted as having a derby feel. Our 2s Colts went down narrowly to a team with Gen Blue players in the midst; our 1s Colts walked from the gym at St Lukes side by side with the boys from 3s and 2s yelling encouragement as Bertie led the boys. There was a feeling amongst the crowd and boys. Randwick camped on our line for the first twenty minutes, unable to penetrate the defence. The rest was history with the best performance of the Season against Randwick with their 10 NSW Gen Blue players and one Australian under 20. Score line 46-28 to West Harbour, a fantastic feat.

Into finals: Our boys had an excellent training week training at Concord Oval. Early into this match, our usually dominant scrum was under attack with questionable tactics that took away our usual weapon. We went down in the end 43-10, a sad way to see out the Season, especially when we had a convincing win against Eastwood last time. Although it was a significant loss, everyone in the sheds wanted to remember that feeling, so we knew we would never have that feeling the following year again. A Valuable lesson learnt the hard way. After the coaches chatted in the sheds, Paulie Manuel stood up and delivered a thundering Colts Haka that the boys learnt for culture night! This Haka represents our journey from where we started to now. A young Colts family ready to defend their brothers and sisters at all costs. Bring on 2023, where we finish what we have begun. I want to thank Nick Wiltshire, Matt Cabrera, Mick Debreczeni and, most importantly, Sina Strickland for this team of managers and coaches who were essential. Without you guys, the Colts program would not have come as far as it has this year. Thank you to the Board and Sponsors. We appreciate your ongoing support we hope to return this with some fantastic footy being played this coming Season

COLTS IN ACTION

COMBINED COLTS 2022

Women's Sevens Report – Josh Bray

Pre Season started well and very early, with the girls training with the West's Juniors; this was a great initiative that showed West's Community spirit. As we transitioned into our own training, we had support from 6 or more colts players at each session throughout the year; these boys would fill in numbers and help run drills.

As we worked our way towards the season, we grew in numbers and even, in one instance, had a player travel from Adelaide to play for us in one of our tournaments.

Injuries did occur during the season; however, we always pulled together a team that was more than competitive. We had huge success with four girls being asked for representative programs. Serenity Mahoni is a highlight of this, playing for Tonga and achieving two caps for her country. Kowhai, our captain Vika and Phoenix have all been asked to join in the NSW Waratahs pre-season camp.

Next year I'm excited to see how this program will grow.

**VETERANS
WESTERN SUBURBS RFC AND WEST HARBOUR RFC
LEST WE FORGET**

It is fitting that we pay tribute to our players who enlisted in Australia's Armed Forces and saw active service overseas. It is known that at least 23 of them paid the supreme sacrifice. We list them to show our respect for them.

As Rugby was suspended during World War I, there is no known list of players who served and if one was made, it has been lost along with many other archives. With regards to World War II, a list was made of those players who died in the course of their military duty. This list was printed in the annual reports up to the 1970s but the practice was then discontinued. A list of known players from the 1930s and 1940s who joined the military was compiled. The list has been updated sporadically and is nowhere complete as there were many others who served since then, but their names are not recorded in the club's files. We apologise for all the names omitted.

If you know of a veteran who is missing from this list, please contact the Club with details.

The majority of players listed served in World War II. Veterans other than WWII have the theatre in which they served beside their name.

* Those players who died in action or of wounds are marked with an asterix.

VALE HARRY KIMBLE - A True Club Man

The game of Rugby was one of Harry's life-long loves. Growing up in Concord, he became involved with the Club as a ball boy to first grade in 1953, then as a player before volunteering as video cameraman, committee member, archivist and eventually as the historian., supporting Wests through good times and bad.

Harry played for Wests early on, as did his father, Frank, who was a player and coach in the 1930s, then for Mosman, Port Hacking, Nepean and Greystanes Clubs, as he moved away from the area, until the 1990s when, living in Concord once again, he re-joined the Club. He spent some time on Committees and many hours travelling with his trustworthy backpack videoing Wests games.

He played in Golden Oldies teams, the "Black Knights" in 1983 and 1985, the latter enjoyed on a two week tour to London and Europe. In 2016 he went along as a supporter with a West Harbour team's 16-day tour to South Africa for a Festival of Rugby and to see the Australia v South Africa Test match.

In 1991 he travelled to South Africa as a journalist to report on the first Springboks test after apartheid was lifted and many trips were made to the Hong Kong Sevens

Harry could often be found late at night watching the streams of games with Georgia v Romania in the snow, or Spain v Portugal; he wrote many articles on International Rugby, including Women's in the 1990s, well before the internet. His research included translating Russian or Italian newspapers to source information.

Kimble has been a wonderful servant to the game of rugby, benefiting more than just the West Harbour community.

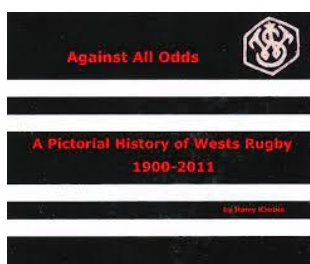

As well as volunteering for the Pirates, he was instrumental in forming rugby clubs in Greystanes, Blacktown and regularly contributed to rugby magazines across Europe and the Americas

As West Harbour Historian, his labour of love, he meticulously researched, wrote and self-published a detailed book on the history of Wests 1900-2011 "Against All Odds". In 2019 he updated it, publishing "The Caravan Moves On", 120 Seasons to 2019, ensuring that Wests' proud history will be celebrated.

When asked what team he supported, he always replied "the game". Although he followed the Wallabies, he supported other Countries, especially Argentina, France, Italy and Georgia and was excited when he saw them succeeding.

In recent years he loved to attend West Harbour home games and to have a chat with old friends and the younger players.

Harry had been looking forward to West Harbour returning to their home ground, and would have been so pleased to see that the improvement of facilities at Concord Oval has become a reality.
